

***When is camp in session?***

July 10 -17, 2016

***What is our Mission?***

Dream Street offers kids with cancer and other life threatening and chronic illnesses, a safe and medically sound summer camp experience.

Our camps enriches the lives of these special children with serious illnesses.

Our programs offers kids a chance to just be kids.

Children spend time with others who are just like them and share their life-experiences, which lets them know that they are not alone.

***Who do we serve?***

Children ages 4 through 14 with cancer and chronic and life threatening illnesses.

***What are we looking for in those that apply?***

Any child who has a chronic or life threatening illness can apply.

***How will I know if I am accepted?***

Once your application has been received, a Dream Street coordinator will contact you to discuss the status of your application. Space in each session is limited, so please return all application items completed as soon as possible.

***What happens if I am accepted?***

If you are accepted to attend, you will be contacted within two to three weeks of the completed application process and will be provided with additional information.

***What is the cost to attend?***

All Dream Street programs are free of charge.

***What activities do we offer?***

Swimming, arts & crafts, horseback riding, archery, rock wall climbing, dancing, go carts, sports, ropes course and all kinds of special daily activities.

***When is camp in session?***

July 11 -17, 2016

***How do I contact Dream Street to check on my application process, or for any other questions I might have?***
